

TYPOGRAFIE

Aa Manrope ExtraBold	Coffee beans from the origin.	Aa Manrope ExtraBold	Coffee beans from the origin.	Aa Manrope ExtraBold	Coffee beans from the origin.
Aa Manrope Medium	Coffee was born here. In the port of Al-Mukha Yemen, the first beans were traded centuries ago. From this ancient harbour, coffee travelled the world and changed it forever. MocHar takes its name from this origin. Mocha, one of the oldest and most celebrated coffees known to man, combined with harir the Arabic word for silk. A reference to the richness and refinement in every cup. Sourced with respect for the farmers who grow it. Roasted with care for those who drink it.	Aa Manrope Medium	Coffee was born here. Voor het lettertype kozen wij voor **Manrope**, een modern geometrisch sans-serif dat in verschillende gewichten wordt toegepast. ExtraBold voor koppen en de merknaam, Medium voor subtitels en ExtraLight voor bodytekst. Door binnen een lettertype te werken ontstaat een **duidelijke balans tussen kracht en verfijning**, zonder dat een tweede font nodig is.
